S. G. Rice Co.
624 Security Bldg.
Los Angeles, Calif.

Dear Mr. Rice:

When I called on you last I forgot to mention to you the fact that the S. Murata & Co., has been closed by the Federal Government because of national Japanese ownership. I have a party that is very interested in getting the details of this property, either to purchase or lease the entire building. If you are in a position to get any information whatsoever about the owners, what they intend to do with the building, who they are, I would appreciate your digging in to it, and if the property can be purchased at the right price I am sure I can send you a good customer.

Very truly yours,

PAUL ECKE.
